

Wall mounted LED uplighters

The smallest member of the Clara family, the Clara 90, provides a compact and elegant lighting solution. The Clara 90 uses 10 high powered LEDs mounted onto a special aluminium clad heat sinking circuit board, it has an integral LED driver and a dimming version. Please also see Clara 180 and Clara 360.

Applications: corridors, stairwells, reception areas, meeting rooms, pillars in open plan offices.

- Compact and elegant lighting solution
